Dear Mr. Gunderson and Mr. Hotovec:

On May 14, 1998, the Rocky Flats Field Office transmitted to your organizations a copy of the *Closure Report for the Design-Build Underground Storage Tank Replacement Project* dated April 1998. We inadvertently omitted an additional document in the transmittal and are therefore enclosing a copy of the *Tank Closure Report Building 771, UST No. 20* dated August 1996 for your review. Together the two reports meet the requirements for the closure and assessment of the underground storage tanks in accordance with the Colorado Department of Public Health and Environment letter dated March 13, 1996, which was included in the Rocky Flats Cleanup Agreement as Attachment 13.

If you should have any overall questions regarding this transmittal, contact me at 303-966-7252, or if you have any technical questions, please contact Norma I. Castaneda at 303-966-4226.
